PRODUCT CATALOGUE

VIGOUR GROUP

www.vigourpack.com

Founded in 2002, VIGOUR GROUP is one of the leading disposable paper and plastic packaging manufacturers in Taiwan.

We focus on providing high quality, competitively priced paper and plastic foodservice disposables to the following market segments: C-stores, QSR, supermarkets, food processors, entertainment, airlines.

GLOBAL SERVICE

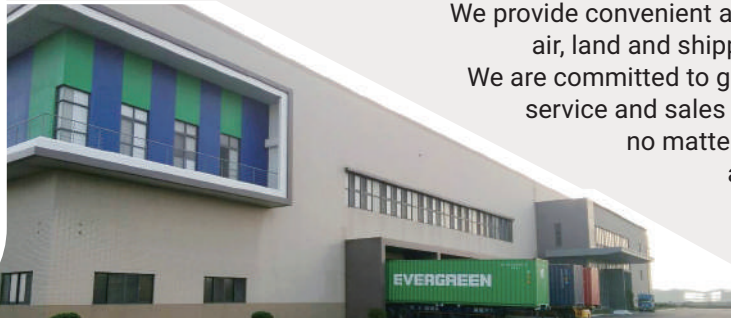

We cooperate with key customers in USA, Australia, Europe, Middle East, Asia, Latin America, and over twenty other countries, which has given us an important global footprint.

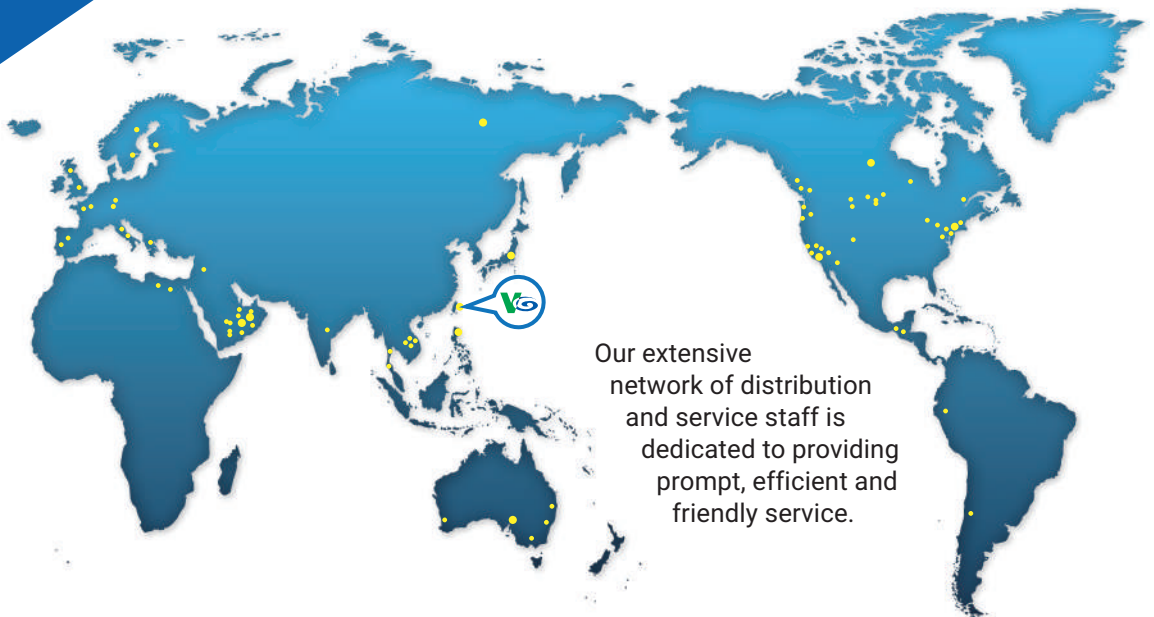

VIGOUR PACK and VIGOUR PLASTIC are both under the umbrella of it's parent holding company of VIGOUR GROUP.

Readily available materials include PET, PS, PP, RPET, PLA, PBS, and paper boards, all of which are 100% FDA certified for food contact.

We provide convenient and efficient air, land and shipping routes. We are committed to give the best service and sales experience, no matter where you are located.

Our extensive network of distribution and service staff is dedicated to providing prompt, efficient and friendly service.

CERTIFICATION & CAPABILITIES

BRC & FSSC22000 Certifications make us Global Food Safety Initiative (GFSI) certified.

PLANT FACILITY

6 sets double wall paper cup forming machines.

34 German-made fully integrated and automated paper cup/container forming and packing lines.

Finished cups are auto-packed directly into sleeves to prevent any external contact. Film lamination to paper board capacity is over 5,000 tons per month.

2 PROGRESSIVE IN-LINE PLANTS, the true "production island" comprising all operational components that transform the raw material granules into the finished product.

11 EXTRUDERS, the monthly capacity of Eco-friendly material (RPET and PLA) products is over 400 tons each.

21 HIGH SPEED THERMOFORMERS which produce plastic cups (PET, PLA clear cups) and containers (PET, RPET, PLA, PP). Total capacity up to 200 million pcs per month.

PRINTING APPLICATION

4 German Heidelberg offset printing machines that print up to 6-colors and 8-color FLEXTONE machine for paper cups and containers.

4 6-color Van Dam UV offset printing machines for plastic cups and containers.

PAPER CUP CONTAINERS

SINGLE WALL CUPS
DOUBLE WALL CUPS
HOLDERS, SLEEVES, BAGS
FOOD CONTAINERS
HEAVY DUTY CONTAINERS

PAPER HOT CUPS & LIDS

VG single wall paper hot cups are made for serving hot beverages like coffee, tea, or cocoa.

Due to our state-of-the-art German forming machines, our cups feature a smooth rolled rim that ensures a leak proof lid fit.

We offered in a variety of sizes to suit multiple drinks and up to 6-color prints.

VG double-wall paper cup provides excellent heat insulation effects. The built-in thermal layer protects hands from heat and keeps drinks at appropriate temperature, and the outside of the cup comfortable to hold. The form-fitted sealing lid keeps beverages hotter longer and security.

DOUBLE-WALL PAPER CUPS

Comfortable

Distinguishingly smooth outer wrap makes for a perfect surface to print clear and unambiguous artwork.

Built-in thermal layer makes the outer surface smoothly & comfortable handhold feel and tactile impression for customers.

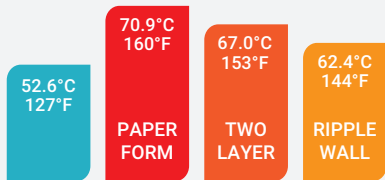

Sturdy & Durable

Our secure and form-fitting lid creates a superior sealed barrier which helps prevent leaks.

The inner air space helps conserve heat within the contents of the cup, as well as maintaining a cool to the touch outer wall.

Special wider bottom design provides better stability for placement.

MAXIMUM OUTSIDE SURFACE TEMPERATURE IN THE FIRST 3 MINUTES

Hot water initial temperature 91°C / 196°F
ROOM TEMPERATURE : 25.4°C / 77.7°F

PAPER COLD CUPS & LIDS

Whatever your beverage of choice, soda, juice, mixed drink or iced tea, VG paper cold cups are your best option. The double poly coating provides superior water resistance and high-gloss graphics capabilities. The combination of fresh wood fiber paper board and our state-of-the-art German machinery make for strong cup sidewalls and smooth rims for a leak-resistant lid fit. We offered in a variety of sizes to suit multiple drinks and up to 6-color prints.
